

2010 Region 7 All-Star Team

Eligibility

Eligibility for the 2010 Region 7 All-Star team will be based on the following criteria:

1. Eligibility Score: The following formula will be used in ranking gymnasts from JO Nationals for eligibility for the 2010 All Star Team:
 $(\text{Regional Score}) + (2 \times \text{National Score}) = \text{Qualification Score}$

The top scoring (qualification score) gymnasts in each age division will be eligible for the 2010 Region 7 All Star traveling team (8 total).
2. Graduating seniors, or gymnasts competing in college (student athletes,) are not eligible to travel with the All-Star Team. Any positions earned by graduating seniors or student athletes will be automatically designated as "Wild Card" slots.
3. All gymnasts must be U.S. citizens at the time of qualification to be eligible for the All Star Team. Any positions earned by non-US citizens will be designated as "Wild Card Slots".
4. Wild card slots will be awarded by taking the next highest scoring athlete (qualification score), all age groups combined. Three alternates (non-traveling) will be named using the next 3 highest scoring athletes (qualification score), all age groups combined, after all eligible traveling team members are determined.
5. All gymnasts will be required to have a U.S. passport at the time that travel plans are confirmed and tickets purchased. Any coaches with non-US passports will be responsible for arranging appropriate travel visas or documents, and producing photocopies, prior to the confirmation and purchase of airfare.

Once the eligible candidates are announced, they will receive registration information for the travel trip. In order to be **selected** for the traveling team, the following conditions must be met:

4. If a gymnast who has been selected for the All Star team becomes ineligible, ill or injured, and cannot travel, or does not attend High Performance Camp, the next eligible gymnast in rank order will be selected.

If eligibility and/or selection procedures are not met, the gymnast will NOT be permitted to travel with the All-Star team. The next eligible athlete who meets both eligibility and selection criteria will be selected to travel with the All Star Team.

Travel plans are underway for the All-Star team to represent Region 7 at an international training camp. As soon as these plans are confirmed, eligible candidates will be mailed a registration packet to their clubs.
